Dated 8. 1. 54

[Despatch Abstract.]

Acts and Rules - Destructive Insects and Pests Acts 1914 - Plants exported to foreign countries - Inspection and certification - Arrangements - Government of India's Notification - Republished.

Development Department.

Letter No. 37510 AII/49-1, dated 3-5-1949.

To

The Secretary to the Government of India,
Ministry of Agriculture,
New Delhi.

Sir,

Sub: - Acts and Rules - Destructive Insects and Pests act 1914 - Plant exported to foreign countries Inspection and certification - Arrangement.

Ref: - From the Government of India, Ministry Agriculture, No.F.9-10/48-PPS, dated 21-12-1948.

I am directed to invite your attention to the notification of the Government of India cited and to state that the Government Entomologist and Government Mycologist Coimbatore have been authorised to inspect and grant health certificates in respect of plants and seeds intended for export to foreign countries from the Madras Province.

2. Now that crop and plant protection Officers have been appointed by this Government, I am to request that the crop and plant Protection Officers (Entomologist) and (Mycology) stationed at Coimbatore and Bapatla may also be authorised in addition to Government Entomologist and Government Mycologist, Coimbatore to inspect and grant health certificates in respect of all plant material or seeds exported from this Province.

Yours faithfully,

No.F.9-10/48-PPS.
Government of India,
Ministry of Agriculture,
New Delhi, the 27th July , 1949.

From

Shri. R.C.Sinha,
Under Secretary, Ministry of Agriculture,
Government of India.

To

The Deputy Secretary to the Government of Madras,
Development Department,
Madras.

Sir,

Sub:- Destructive Insects and Pests Act, 1914 plants exported to foreign countries - Grant of - health certfficate.

With reference to your letter No.37510-AII/4 dated the 3rd May, 1949 on the abovesubject, I am directed t say that the Government of India regret their inability to authorise the Crop and Plant Protection Officers to issue health certificates in respec t of plants or seeds intended for export, as it is their policy to keep the number of certi ing officers a s low as possible. There is however, no objection of the said officers inspect the plants or seeds indended for export to the foreign countries but the responsibility of issuing the health certificates should remain with Entomologi and Mycologist of the Madras Government.

Yours faithfully,

Sd/-Under Secretary.

GOVERNMENT OF MADRAS.
